Newark 2, New Jersey

Dear Mr. Lowey:

At the regular scheduled Newark City Council meeting on the night of February 16 in the Council Chamber, the Mayor's Commission on Group Relations is honoring you, the four firemen involved in the October 15th event and Mr. Irving Laskowitz, chief of the tenant relations division of the Newark Housing Authority. Enclosed is a copy of our Human Relations News, which although not mentioning the date of this meeting gives short stories about those persons who will be honored. Will you please put this date in your calendar and plan to be with us at 8 o'clock that evening, to receive one of the first Annual Brotherhood Awards of the Mayor's Commission on Group Relations.

We are publishing our Annual Brotherhood issue of the Human Relations News during the first week of February. Would you mind jotting down a few autobiographical notes so that we may run a 250-500 word profile of you in that issue? My personal congratulations to you for a photographic prize-winner.

Very sincerely yours,

Am

P.S.

Will you please send us also a glossy photo for reproduction in our February issue?
